

Staffordshire AV group and the RPS AV group presents:

**An International
Presentation by:**

Jacques van de Weerd (B)

and

Jean-Paul
Petit (Fr)

This will be a very rare opportunity to hear and see the work of two of the leading AV workers in Europe. Jean-Paul and Jacques will show some of their sequences and talk about their ideas in Audio Visual (or Diaporama as they call it), giving a very 'Continental' view of the medium. Whether you are an AV worker or photographer you will find this talk of interest.

Wednesday, 19th September 2012 starting at 8:00pm
Derrington Village Hall, Derrington, nr. Stafford ST18 9LR
